

### HEAR FROM A PAST ATTENDEE...

This training offered by CommonHealth ACTION will help you, your staff, and your company or organization explore isms, implicit bias, and barriers to achieving equity in a safe place. Activities draw on empathy, love, and matters of the heart as well as intellect and matters of thought and perspective.

*-March EDI Attendee*

Join CommonHealth ACTION for a two-day training that will develop your knowledge and skills to apply equity, diversity, and inclusion, professionally and personally. Participants in the training will leave prepared to decide and act more equitably through policies, programs, and practices.
